707 wth?

The first paintball game in 1981 was played in Henniker, New Hampshire (USA) with a Nel-Spot 707.
So the idea for the title was born. 707 also has a nice sideeffect. Just turn it around :)

Honestly, this is a \u2665\u2665\u2665\u2665\u2665 game. BUT, because its so cheap i have to say if you and your friends are looking for fun then get it! We played for about 20 minutes and we couldnt stop laughing it was great. It stopped being funny after about 20 minutes but hey, its \$5 what can you expect. its not fun and it takes multiple shots to tag someone out. This game is trash and is not even fun I am gald to refund.. This game asks me not to write this, but God dammit, I'm going to write it anyway because I wrote it and it's the truth.
I ♥♥♥♥ING LOVE THIS GAME. IT IS THE BEST GAME EVER, PERIOD. LADIES AND GENTLEMEN, PAINTBALL 707.. its a great game graphics should be fixed tho but i love it

I can assure you that purchasing this game will be the best five bucks you've ever spent. #ripcod. game of the year. This game is pretty swate.. the game is not fun. Even if it would be free it would be bad. gt;drm on an asset flip. This game is far better than XFP3, This is fun!. Was hoping for something like DPB and this isn't even close.. once yo open the game it will not let you actually play.
